VX7

MORE POWER THAN VX5

An advanced waterproof metal detector with more frequency and mode options than VX5, including the powerful Multi-Frequency Salt mode for wet sand and saltwater beach detection.

VX5

The entry Vortex model includes an array of features that provide fast, fixed recovery speed on adjacent targets. Fully waterproof to 16 feet (5m), it's perfect for both beginner and more advanced detectorists.

OPTIONAL SEARCHCOILS:

PN: GMD-2238500
5" x 8" DD Vortex
Ripper™ Searchcoil

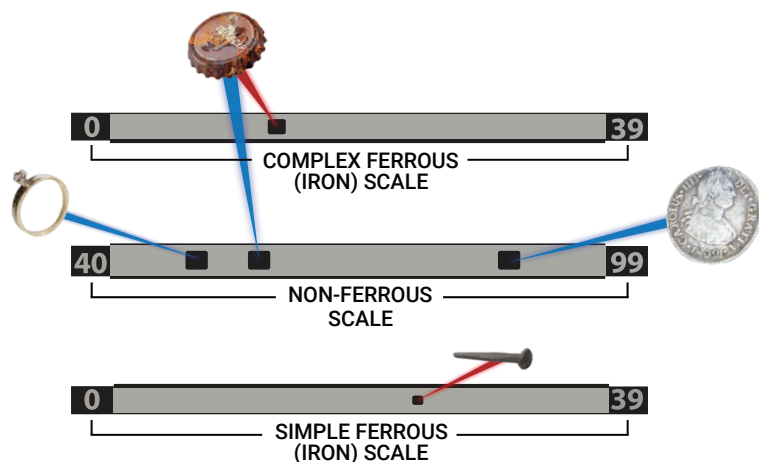

PN: GMD-2238300
6" x 11" DD Vortex
Viper™ Searchcoil

ULTRA-PULSE™ Technology

Advanced pulse technologies provide enhanced sensitivity and complete versatility in the most extreme mineralized soils and in saltwater. Choose from four settings, ideally engineered for finding all types of gold, from larger nuggets to sub-gram pickers.

AXIOM PACKAGES

PN: GMD-1142710

Axiom Lite with 11"x7" Mono Coil, Coil Cover, Charging Cable, and Carry Bag

Also Available: Standard Axiom Package
PN: GMD-1142720

Axiom with 13" DD searchcoil, 11" Mono searchcoil, and MS-3 Z-Lynk wireless headphones

EXTREME DETECTION ON TINY GOLD IN ALL GROUND CONDITIONS

- **Four Search Mode Options**
Choose from Fine, Normal, Large or Salt
- **Four Ground Tracking Speeds**
Choose Off, Slow, Medium or Fast
- **Two Audio Type options**
Choose from smooth VCO Audio (with proportional pitch response) or sharp PWM (Pulse Width Modulation) audio.
- **Iron Check**
Use with DD coils to audibly identify undesired iron targets.
- **User-Adjustable options**
Threshold, Volume, Sensitivity, Tone, Backlight, and more
- **Long battery capacity**
Built-in Lithium Ion battery provides approx. 16 hours of field use per charge.
- **Built-in Garrett Z-Lynk™ Wireless Technology**
- **Well balanced and lightweight**
with all carbon-fiber telescoping stems.

POWERFUL PERFORMANCE ON TINY GOLD NUGGETS

Its XGB ground balance system allows the *Goldmaster* to be used in a wide variety of ground conditions with more stable operation and less ground noise than other prospecting detectors. The *Goldmaster's* 48 kHz operating system makes this detector respond well to even tiny, sub-gram-size gold nuggets.

ACE OVERVIEW AND APPLICATIONS

ACE 400i:

Expect great detection depth from its powerful DD coil. Also includes the Iron Audio feature, a higher frequency, and volume control headphones.

Ideal for: Coins, jewellery, relics, dry beach, fresh water wading, competition events, cache hunting, and it has improved features for prospecting.

ACE 300i:

A powerful performer at a bargain price. Includes Digital Target ID and enhanced features to help find more treasure.

Ideal for: Coins, jewellery, relics, dry beach, fresh water wading and competition events. Can be used for entry-level prospecting or cache hunting.

ACE 200i:

Light weight, powerful, entry-level detector that's easy to learn. Simple One-Touch operation; turn on and begin hunting!

Ideal for: Coins, jewellery, dry beach and fresh water wading. Can also be used for entry-level prospecting and relic hunting.

WHICH GARRETT ALL-TERRAIN DETECTOR IS BEST FOR YOU?

AT Max International—Offers the deepest detection, True All Metal Mode, and wireless capability. Recommended for all terrains, including both salt and freshwater environments. Use for coins, jewellery, relics, gold, and competition hunts.

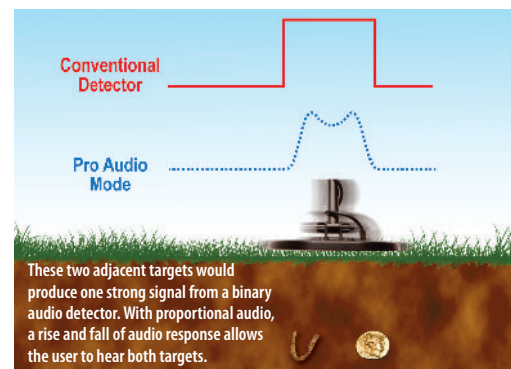

AT Pro International—Choose from easy-to-learn Standard Modes or advanced Pro Modes for more target information and depth. Can be submerged in either saltwater or freshwater. Great for coins, jewellery, relics, and gold.

UNDERSTANDING THE PROPORTIONAL AUDIO FEATURE

The *AT Max International* and *AT Pro International* each feature advanced, proportional (Pro) audio modes. This allows the user to: hear subtle changes in a target's response; better judge a target's size, shape and depth; and enjoy a much faster recovery time when detecting adjacent targets.

The *AT Pro International* also includes three Standard audio modes, which provide a full-strength beep regardless of a target's amplitude. Many detectorists prefer this simpler, binary (either on or off) target response.

ALL-TERRAIN ACCESSORIES

Consider adding an optional searchcoil to enhance your detecting experience

TWO GREAT CHOICES TO HELP FIND YOUR TARGETS FASTER!

PRO-POINTER®

PRO-POINTER® AT

PN: GMD-1142200
battery included

Unique Features

- **One-Press Syncing** to Garrett Z-Lynk wireless receivers.
- **Wireless Convenience:** Hear both detector and pinpointer alarms in your headphones, even in noisy environments (beach, high winds, congested urban areas, organized hunts).

PRO-POINTER® AT

PN: GMD-1140900
battery included

Common Features on both Pro-Pointer ATs:

- **Fully waterproof to 20 feet (6 meters)**
- **Lost Pro-Pointer Alarm:** After 5 minutes with no button presses, the pinpointer emits periodic warning chirps.
- **Automatic power off** after one hour of warning chirps.
- **Patented scraping blade**
- **Lanyard attachment loop**
- **LED flashlight** for low light searches.
- **Belt holster, 9-volt battery included**
- **Ruler in inches and centimeters**
- **Adjustable sensitivity**

RECOVERY TOOLS AND DIG POUCHES

Garrett™ All Terrain Dig Pouch

Designed for water hunting, with mesh drains, but this sturdy pouch can also be used to sift dirt from your finds while land hunting. Includes two pouches for sorting treasure from trash, plus a small outer pocket for your best finds. Includes Pro-Pointer holster and lanyard clips. Extended belt fits most sizes. PN: GMD-1664800

Camo Digger's Pouch

This 10" deep zippered bag secures with its own belt. Fits up to 60" waist. PN: GMD-1612900

Exterior MOLLE-type webbing grid is ideal for attaching *PRO-Pointer*, cell phone, digging tools, etc.

Garrett™ Razor Relic Shovel

36" total length with 9" digging blade. Comfortable T-handle and robust steel blade with cutting edge teeth to power through roots and tough soil. Includes Garrett carry sheath for blade protection. Weight: 61.6 oz. PN: GMD-1664910

Garrett Nugget Scoop

Durable hard plastic scoop for target recovery in all soils. Separate metallic targets from rocks by waving scoop over your searchcoil. Hole through handle allows scoop to hang from belt or on a hook. Garrett logo molded into handle. PN: GMD-1630300

Garrett "Keepers" Finds Box

Plastic treasure "Keepers" box with foam slits in one compartment for protecting small coins, buttons, and other treasures. Access two separate sides, with sturdy latches, that will hold your best finds. PN: GMD-1629400

Garrett™ Edge Digger

(7.5" digging blade; 12" total length) Robust steel blade with cutting edge teeth. Non-slip blade guard with comfortable rubber handle. Includes Garrett carry sheath for belt mount use. PN: GMD-1634900

14" x 11" Garrett Reaper Searchcoil

This coil provides a 25% increase in ground coverage as compared to an 8.5" x 11" DD coil. This makes the Reaper perfect for: working large fields, searching for caches, and swinging above stubble and other field obstructions that often hinder detection depth.

It also offers a significant increase in detection depth on medium to large-sized targets, while still maintaining excellent detection on small targets. This big coil is rugged and fully submersible.

PN: GMD-2223900: Multi-Flex (Apex)

PN: GMD-2224100: AT Series

PN: GMD-2224300: ACE Series

GARRETT HEADPHONES

Garrett MS-3 Z-Lynk Wireless Headphones

- Built-in Z-Lynk receiver. High fidelity audio.
- Use with any Garrett Z-Lynk detector or transmitter module.
- Volume control. USB charging cable included.

PN: GMD-1627710

Submersible Headphones

- For use with Garrett AT Max and AT Pro metal detectors.
- Padded ear cups

PN: GMD-2202100

BAGS/BACKPACKS

All Purpose Carry Bag (shown below)

This narrow profile pack will hold all the gear and supplies for a full day of detecting. Approximately 21" interior height x 13" width.

Includes: adjustable straps; zippered front accessory pocket; interior searchcoil pouch; pair of side pouches to hold accessories.

PN: GMD-1634800

Digital Camouflage Soft Case, Universal Detector

Padded travel/storage bag, 50" length with full zipper opening, carrying handle and backpack straps.

PN: GMD-1616901
